*Project Upstream is a registered charitable organization, committed to offering adults, youth and their families the community-based supports and services they need to rebuild lives affected by persistent mental illness.*

**The *Youth Matters Campaign* supports the expansion of a Youth Pilot Project which is designed to provide assistance to Youth between the ages of 16 and 24 and to aid in the transition to adult mental health services.**

**Project Upstream's cost-effective, pro-active approach maximizes the welfare of young persons and their communities. With your help, our expanded pilot will not only increase our ability to help our Youth in crisis but will bring us closer to securing our bid for permanent ongoing funding!**

**On November 18, support the *Youth Matters Gala* and become part of the solution.**
